Reducing Our Energy Bills Worksheet

This worksheet accompanies slide 2 of *Reducing Our Energy Bills.ppt*

How can we help to reduce electricity consumption?

There are lots of ways everyone can help to reduce the amount of electrical energy used. The government can make an especially big difference by making new laws about using energy.

Write to your Representative and Senator and suggest ways to that the Government can help reduce the amount of energy used. Use the following paragraph starters as a guide.

[your address]

[date]

Dear [insert your Representative or Senator's name here!],
